WHEREAS, **HWC** has expressed a willingness to provide the professional services for the Project; and

WHEREAS, the parties hereto agree that **HWC** shall provide the services and documents hereinbefore and hereinafter described in relation to the Project;

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, agree as follows:

SECTION I: SERVICES BY HWC

HWC acknowledges the importance to the **CLIENT** of the project schedule and agrees to put forth reasonable efforts in performing the services with due diligence under this Agreement in a manner consistent with that schedule attached. The **CLIENT** understands, however, that **HWC's** performance must be governed by sound professional practices.

If in this Agreement, specific periods of time for rendering services are set forth or specific dates by which services are to be completed are provided, and if such periods of time or dates are changed through no fault of **HWC**, for reasons including, but not limited to, delay of state or municipal agencies in approvals or other governmental decisions, or delay in site or land acquisition, the rates and amounts of compensation provided herein shall be subject to equitable adjustment.

SECTION IV: COMPENSATION

HWC shall receive payment for the work performed under this Agreement as set forth in Appendix "D", attached to this Agreement, and made an integral part hereof.

SECTION V: GENERAL PROVISIONS

1. Consultants and Subcontracting

HWC shall, in its sole discretion and without approval of the **CLIENT**, have the right to employ such subconsultants and consultants (collectively hereinafter “Subconsultants”) as **HWC** deems necessary to assist in the performance of furnishing of the Services. **HWC** Shall not be required to employ any Subconsultants unacceptable to **HWC**.

2. Use and Ownership

All reports, tables, figures, drawings, specifications, boring logs, field data, field notes, laboratory test data, calculations, estimates and other documents (hereinafter “Documents”) prepared by **HWC** as instruments of service shall remain the property of **HWC**. The **CLIENT** shall be entitled to copies or reproducible sets of any of the Documents for information and reference in connection with use on the Project by **CLIENT**.

HWC will retain all pertinent records relating to the services performed for a period of five (5) years following performance of work, during which period the records will be made available to the **CLIENT** at all reasonable times for inspection or copying.

HWC agrees that the **CLIENT** is not required to use any plan, report, drawing, specifications, advice, map, document or study prepared by **HWC** and **HWC** waives all right of redress against the **CLIENT** if the **CLIENT** does not utilize same. Such Documents are not intended or represented to be suitable for reuse by **CLIENT** or others on extensions of the Project or any other project. Any such reuse or modification without written verification or adaptation by **HWC**, as appropriate for the specific purpose intended, shall be at **CLIENT**'s sole risk and without liability or legal exposure to **HWC**. **CLIENT** shall indemnify and hold harmless **HWC** from all claims, damages, losses and expenses, including attorney's fees arising out of or resulting there from.

CLIENT hereby acknowledges that due to the status of the Documents as instruments of professional service and the value associated therewith such designation, that **HWC** is entitled to enforce the prohibition against misuse of the Documents by **CLIENT** by obtaining an injunction to enjoin and restrain the unauthorized use of the Documents. Additionally, the improper utilization of the Documents hereunder shall be considered to be a breach of this Agreement and entitle **HWC** to all rights and remedies provided herein.

3. Compliance with State and Other Laws

HWC specifically agrees that in performance of the services herein enumerated by **HWC** or by Subconsultants or anyone acting on behalf of either, that each will comply with all state, federal, and local statutes, ordinances and regulations in effect as of the effective date of this Agreement (the “Laws and Regulations”). Changes to these laws and regulations after the effective date of this Agreement may be the basis for modifications to **CLIENT**'s responsibilities as provided in Appendix B or to **HWC**'s Services (as provided in Appendix A), times of performance (as provided in Appendix C), or compensation (as provided in Appendix D).

4. Professional Responsibility

HWC will exercise reasonable skill, care, and diligence in the performance of services and will carry out all responsibilities in accordance with customarily accepted professional engineering

practices. Failure by the **CLIENT** to report any defect or suspected defect to **HWC** within one (1) year from the completion of **HWC's** services for the Project shall relieve **HWC** of the obligation to cure the defect or suspected defect or any costs associated with the efforts to cure the defect or suspected defect.

Neither the professional activities of **HWC**, nor the presence of **HWC** or its employees and sub-consultants at a construction/project site, shall relieve the construction professional or company contracted (hereinafter "**CONTRACTOR**") with the **CLIENT** to provide construction services of its obligations, duties and responsibilities, including, but not limited to, construction means, methods, sequence, techniques or procedures necessary for performing, superintending and coordinating the work in accordance with the contract documents and any health or safety precautions required by any regulatory agencies. **HWC** and its personnel have no authority to exercise any control over the **CONTRACTOR** or its employees in connection with their work or any health and safety programs or procedures. The **CLIENT** agrees that the **CONTRACTOR** shall be solely responsible for job site safety and warrants that this intent shall be carried out in the **CLIENT's** contract with the **CONTRACTOR**. The **CLIENT** also agrees that the **CLIENT**, **HWC** and **HWC's** sub-consultants shall be indemnified by the **CONTRACTOR** and shall be made additional insureds under the **CONTRACTOR's** policies of general liability insurance.

HWC shall not be required to sign any documents, no matter by whom requested, that would result in **HWC** having to certify, guarantee or warrant the existence of conditions whose existence **HWC** cannot ascertain. The **CLIENT** also agrees not to make resolution of any dispute with **HWC** or payment of any amount due to **HWC** in any way contingent upon **HWC's** signing any such certification.

HWC shall not be responsible for errors, omissions or deficiencies in the designs, drawings, specifications, reports or other services of the **CLIENT** or other consultants, including, without limitation, surveyors and geotechnical engineers, who have been retained separately by **CLIENT**. **HWC** shall have no liability for errors or deficiencies in its designs, drawings, specifications and other services that were caused, or contributed to, by errors or deficiencies (unless such errors, omissions or deficiencies were known or should have been known by **HWC**) in the designs, drawings, specifications and other services furnished by the **CLIENT**, or other consultants retained by the **CLIENT**. Additionally, **HWC** shall not be responsible for the use of the Documents by **CLIENT**, or consultants retained by the **CLIENT**, for any purposes other than in conjunction with the Project.

HWC's opinions of probable construction costs provided under this Agreement are to be made on the basis of **HWC's** experience and qualifications and represent **HWC's** best judgment as an experienced and qualified professional within the industry. However, since **HWC** has no control over the cost of labor (including but not limited to wage scales for public works projects), materials (or changes in materials requested by **CLIENT**), equipment or services furnished by others, changes in applicable laws (including, but not limited to, building codes, flood plain designation, etc.) or over the **CONTRACTOR's** methods of determining prices or over competitive bidding or market conditions, **HWC** cannot and does not guarantee that proposals, bids or actual construction cost will not vary from opinions of probable construction costs prepared by **HWC**.

5. Status of Claims

HWC shall be responsible for keeping the **CLIENT** currently advised as to the status of any known claims made for damages against **HWC** resulting from services performed under this

Agreement. **HWC** shall send notice of claims related to work under this Agreement to the **CLIENT**.

6. Insurance

HWC shall at its own expense maintain in effect during the term of this contract the following insurance with limits as shown or greater:

- General Liability (including automobile) with a combined single limit of \$1,000,000.00. The **CLIENT** shall be named as an Additional Insured. **HWC's** insurance shall be written on a "primary" basis and the **CLIENT's** insurance program shall be in excess of all of **HWC's** available coverage.
- Worker's Compensation at single limit of \$1,000,000.00. Worker's Compensation shall include a Waiver of Subrogation endorsement in favor of **CLIENT**.
- Professional Liability for protection against claims arising out of performance of professional services caused by negligent error, omission, or act in the amount of \$2,000,000.00
- **HWC** shall provide to **CLIENT** Certificates of Insurance indicating the aforesaid coverage upon request of the **CLIENT**.
- **HWC** shall name **CLIENT** as additional insured on General Liability and Auto Liability policy.

HWC will require its Subconsultants to maintain Commercial General Liability, Auto Liability, Workers Compensation and Professional Liability coverages equal to or greater than maintained by **HWC**. Subconsultants shall also name **HWC** and **CLIENT** as additional insureds on General Liability and Auto Liability policy.

CLIENT shall procure and maintain insurance as follows:

- Commercial General Liability Insurance, with a per occurrence limit of not less than \$2,000,000.00

CLIENT and **HWC** shall each deliver to the other certificates of insurance evidencing the coverage indicated in this Agreement. Such certificates shall be furnished prior to commencement of **HWC's** services and at renewals thereafter during the life of the Agreement.

7. Changes in Work

In the event that either the **CLIENT** or **HWC** determine that a material change in scope, character or complexity of the work is needed after the work has progressed as directed by the **CLIENT**, both parties in the exercise of their reasonable and professional judgment shall negotiate the changes and **HWC** shall not commence the additional work or the change of the scope of the work until a supplemental agreement is executed and **HWC** is authorized in writing by the **CLIENT** to proceed.

8. Delays and Extensions

HWC agrees that no charges or claim for damages shall be made by it for any minor delays from any cause whatsoever during the progress of any portion of the services specified in this Agreement. Any such delays shall be compensated for by an extension of time for such period as may be reasonably determined by the **CLIENT**, subject to **HWC's** approval. However, it being understood, that the permitting of **HWC** to proceed to complete any services, or any part of

City of Charlestown Sanitary Sewer Board
Spring Street Lift Station Evaluation

them after the date to which the time of completion may have been extended, shall in no way operate as a waiver on the part of the **CLIENT** of any of its rights herein.

9. Abandonment

Services may be terminated by the **CLIENT** and **HWC** by thirty (30) days' notice in the event of substantial failure to perform in accordance with the terms hereof by the other party through no fault of the terminating party so long as such nonperformance has not been caused by delays outside of the control of **HWC**. If so abandoned, **HWC** shall deliver to the **CLIENT** copies of all data, reports, drawings, specifications and estimates completed or partially completed along with a summary of the progress of the work completed within twenty (20) days of the abandonment. In the event of the failure by **HWC** to make such delivery upon demand, then and in that event **HWC** shall pay to the **CLIENT** any damages sustained by reason thereof. The earned value of the work performed shall be based upon an estimate of the portions of the total services as have been rendered by **HWC** to the date of the abandonment for all services to be paid for on a lump sum basis. **HWC** shall be compensated for services properly rendered prior to the effective date of abandonment on all services to be paid on a cost basis or a cost plus fixed fee basis. The payment as made to **HWC** shall be paid as the final payment in **CLIENT's** full settlement and release for the services hereunder unless otherwise provided hereunder.

10. Non-Discrimination

Pursuant to Indiana and federal law, **HWC** and **HWC's** Subconsultants, if any, shall not discriminate against any employee or applicant for employment, to be employed in the performance of work under this Agreement, with respect to hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment because of race, color, religion, sex, disability, **veteran status**, national origin or ancestry. Breach of this covenant may be regarded as a material breach of the Agreement.

11. Employment Eligibility Verification

HWC affirms under the penalties of perjury that it does not knowingly employ an unauthorized alien.

HWC shall enroll in and verify the work eligibility status of all its newly hired employees through the E-Verify program as defined in I.C. 22-5-1.7-3. **HWC** is not required to participate should the E-Verify program cease to exist.

HWC shall require its Subconsultants, who perform work under this Contract, to certify to **HWC** that the Subconsultant does not knowingly employ or contract with an unauthorized alien and that the Subconsultant has enrolled and is participating in the E-Verify program. **HWC** agrees to maintain this certification throughout the duration of the term of a contract with a Subconsultant.

The **CLIENT** may terminate for default if **HWC** fails to cure a breach of this provision no later than thirty (30) days after being notified by the **CLIENT**.

12. Successor and Assigns

The **CLIENT** and **HWC** each binds themselves and successors, executors, administrators and assigns to the other party of this Agreement and to the successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement; except as above, neither the **CLIENT** and **HWC** shall assign, sublet or transfer their interest in the Agreement without the written consent of the other.

13. Supplements

14. Governing Laws

This Agreement and all the terms and provisions shall be interpreted and construed according to the laws of the State of Indiana, notwithstanding any state's choice of law rules to the contrary. Should any clause, paragraph, or other part of this Agreement be held or declared to be void or illegal, for any reason, by any court having competent jurisdiction, all other causes, paragraphs or part of this Agreement, shall nevertheless remain in full force and effect. Any and all actions to be litigated under this matter shall be initiated in ~~Marion~~ **Clark** County, Indiana.

This Agreement contains the entire understanding between the parties and no modification or alteration of this Agreement shall be binding unless endorsed in writing by the parties thereto.

This Agreement shall not be binding until executed by all parties.

15. No Partnership

This Agreement will not constitute, create, give rise to or otherwise recognize a joint venture, partnership or formal business organization of any kind between the parties, and the rights and obligations of the parties shall be only those expressly stated under this Agreement. Neither party shall represent itself as an employee or subcontractor of the other, nor is this Agreement or any related documents intended to be construed so as to make either party an employee or subcontractor of the other. Except as otherwise provided in this Agreement, neither party shall have the ability to bind the other to any agreement for payment of goods or services, nor shall it represent to any person that it has such ability. All expenses incurred by the parties hereto are their respective sole responsibility, unless otherwise provided for in this Agreement.

16. Rights and Benefits

HWC's services will be performed solely for the benefit of the **CLIENT** and not for the benefit of any other persons or entities.

17. Disputes

All claims or disputes of **HWC** and the **CLIENT** arising out of or relating to the Agreement, or the breach thereof after notice and a reasonable opportunity to cure, shall be first submitted to non-binding mediation. If a claim or dispute is not resolved by mediation, the party making the

claim or alleging a dispute shall have the right to institute any legal or equitable proceedings in a court located in Marion Clark County, Indiana. **HWC and CLIENT shall share the mediator's fee and any filing fees equally.**

18. Indemnities

HWC and the **CLIENT** each agree to indemnify and hold the other harmless, and their respective officers, employees, agents, and representatives from and against liability for all claims, losses, damages, and expenses, including reasonable attorney fees, to the extent such claims, losses, damages, or expenses are caused by the indemnifying party's negligent acts, errors, or omissions.

In addition to the indemnity of this Agreement, and to the fullest extent permitted by law, **CLIENT** shall indemnify and hold harmless **HWC**, **HWC's** Subconsultants and the officers, directors, partners, employees of **HWC**, from and against all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) caused by, arising out of or resulting from the presence of asbestos, toxic materials, or any other hazardous, toxic or dangerous environmental condition, on or about the Project site (the "Site"), whether known or unknown to **CLIENT**, provided that nothing in this Article shall obligate **CLIENT** to indemnify any individual or entity from and against the consequences of that individual's or entity's own negligence or willful misconduct.

The **CLIENT** agrees to extend any and all liability limitations and indemnifications for performance of services under this Agreement to, in and including, but not limited to **HWC's** officers and employees, their heirs and assigns, and **HWC's** Subconsultant's their heirs and assigns.

APPENDIX “A”

SERVICES BY HWC

General Description of Services:

CLIENT owns and operates the Spring Street Lift Station, which is located west/northwest of the intersection of Indiana Highways 3 and 62. The lift station has historically had issues with wet weather flows, and a non-compliant surge basin is located adjacent to the station which collects sanitary flows exceeding the capacity of the lift station. **CLIENT** is coordinating with the Indiana Department of Environmental Management on a compliance plan and Agreed Order to improve the lift station.

Concurrently, two large developments, Shadow Brook Farms and Shadow Lake, are being planned generally south of the Spring Street Lift Station that will require sanitary service either via the Spring Street Lift Station or other new infrastructure. The developments will consist of a mix of residential, mixed-use, commercial, light industrial and retail generally located between Indiana 62 and Indiana 403, southwest of Indiana 3.

Since the Spring Street Lift Station requires capital improvements, and the need for additional service for new developments exist, **CLIENT** desires an evaluation of the current and future flows required to be conveyed by the Spring Street Lift Station or potentially by a new regional lift station, which could be constructed southwest of the proposed developments and collect flows from the existing Spring Street Station (via new gravity sewer) and the new developments.

In order to evaluate the feasibility of this regional lift station plan, **CLIENT** has requested that **HWC** complete the following scope of services.

Scope of Services

HWC will evaluate the feasibility of replacing the Spring Street Lift Station (with consideration of the surge basin) with a new regional lift station and associated gravity sewers and force mains serving the Spring Street service area as well as new developments including, but not limited to, Shadow Brook Farms and Shadow Lake. To that end, **HWC** will complete the following:

1. Coordinate with developers on plans and land uses in the service area of the proposed lift station to determine potential sanitary flows;
2. Review flow data for the Spring Street Lift Station to be provided by **CLIENT** to determine the average and peak wet weather flow conveyed to the existing station;
3. Based on flow data for the Spring Street Lift Station, and flow projections for potential developments to be served by a new regional lift station, develop gravity sewer routes and sizing for flow conveyance to the new lift station;
4. Determine, based on flow data and flow projections, the capacity requirements of the new lift station and evaluate force main alternatives considering the rate of development and incremental increase of flows to the new facility;
5. Provide cost estimates for new sanitary infrastructure for a new regional lift station concept to replace the Spring Street Lift Station;
6. Evaluate options for the existing surge basin adjacent to the Spring Street Lift Station;

7. Provide a brief report summarizing the analysis and providing recommendations to **CLIENT** on the feasibility of a new regional lift station.

APPENDIX “B”

INFORMATION AND SERVICES TO BE FURNISHED BY THE CLIENT

If requested by **HWC**, the **CLIENT** shall, within a reasonable time, so as not to delay the services of **HWC**:

1. Provide full information as to **HWC's** requirements for the Project.
2. Assist **HWC** by placing at **HWC's** disposal all available information pertinent to the assignment including previous reports and any other data relative thereto.
3. Examine all studies, reports, sketches, Drawings, Specifications, proposals and other documents presented by **HWC**, obtain advice of an attorney, insurance counselor, and other Engineers as **CLIENT** deems appropriate for such examination and render in writing decisions pertaining thereto within a reasonable time or as provided in an agreed schedule so as not to delay the services of **HWC**.
4. Give prompt written notice to **HWC** whenever **CLIENT** observes or otherwise becomes aware of any defect in the Project.
5. Furnish all existing approvals or permits from all governmental authorities having jurisdiction over the Project. **HWC** will assist the **CLIENT** in identifying and procuring any additional permits associated with this Project or as identified in this Agreement or “Services by the HWC/the Engineer”.
6. Arrange for access to and make all provisions for **HWC** to enter upon public and private property as required for **HWC** to perform services under this Agreement.
7. Obtain necessary easements and right-of-way for construction of the Project, including easement and right-of-way descriptions, property surveys and boundary surveys.
8. Furnish to **HWC**, as requested by **HWC** or as required by the Contract Documents, data prepared by or services of others, including exploration and tests of subsurface conditions at or contiguous to the site, drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the site.

APPENDIX “C”

NOTICE TO PROCEED AND SCHEDULE

HWC acknowledges the importance to the **CLIENT** of the project schedule and agrees to put forth reasonable efforts in performing the services with due diligence under this Agreement in a manner consistent with the schedule below:

Activity	Schedule
Spring Street Lift Station Evaluation	45 Days following Notice to Proceed*

*Assumes that flow data is provided to HWC within 10 days following approval of this Agreement.

APPENDIX “D”

COMPENSATION

HWC shall receive payment from CLIENT for the work performed under this Agreement, as listed below:
