Contract for pyrotechnic display for the city of Charlestown, IN by Casabella Pyrotechnics, LLC

The following is a contract between Casabella Pyrotechnics, LLC (CP) and the city of Charlestown, IN, for CP to provide a pyrotechnic display September 17, 2022.

This contract is for a firework display in Charlestown, IN in the amount of \$15,000.00. CP will provide all necessary fireworks for the display, all required equipment needed to fire the display, and the labor to set up the display. The display will be fired electronically by one of our competent and skilled display operators. This display will last approximately 18 minutes and consist of shells in size from 3" to 5".

CP will carry a \$5,000,000.00 Liability policy and will add additionally insured to the certificate at the request of the city of Charlestown.

CP will provide clean up of the immediate discharge area following the display.
