Mayors Update

Mayor Hodges said Parks Director Marissa Knoebel contacted the Red Cross and asked what can we do to help during the tornado. They said there is a national and regional shortage of blood and our thought was, while we are doing the blood drive, why not do a health checkup from 12pm to 4pm on February 18, 2022 at the A&E Center. There will be door prizes and approximately 23 health related vendors will set up.

Inclement Weather

Mayor Hodges said we are expecting inclement weather and are encouraging those that do not need to be out to please stay home. When it rains first and then snows we can't pretreat the roads. Our crews will do the best they can.
